## DECK PERMIT REQUIREMENTS

- 2 copies of the site plan with all setbacks indicated to the new deck.
- 2 copies of the structural drawings with ledger attachment detail drawing and elevations.
- 2 copies of the guard design. If the design is other than SB-7 compliant, (e.g. glass), a CCMC or BCC ruling document, and/or Professional Engineer seal may be required.
- 2 copies of the bearing calculations if helical piers are being used and CCMC/BCC ruling document and Professional Engineering seal.

\*All submissions also to be provided in PDF (electronic) format.

\*NVCA approval may be required prior to obtaining a permit. Please consult the NVCA. They may be reached at <https://www.nvca.on.ca/planning-permits> or 705-424-1479.

NVCA Permit applications can be found t
