

NOTICE OF ROAD CLOSURE

SIMCOE STREET AND RAGLAN STREET RECONSTRUCTION

Please be advised the Contractor is planning to extend the road closure of Simcoe Street from **Water Street to Raglan Street starting Monday June 9, 2025**, with access for local residents only. This road closure setup is expected to last until August 2025.

Simcoe Street is currently closed between Water Street and Elizabeth Street. Construction signage and a detour route will be set up during the closure. The detour route is attached to this notice. There will be driveway interruptions due to excavation works, and notices will be provided before driveway access is cut off. During driveway interruptions, residents can park on the adjacent side streets.

We thank you in advance for your cooperation throughout construction. Should you have any questions or concerns related to this project, please do not hesitate to contact one of the following representatives:
