NOTICE TO RESIDENTS

Temporary Street Closure – Construction Activities

Project: Angus East Public School
Street Affected: Greenwood Drive
Date of Notice: November 9, 2026

Dear Residents,

Please be advised that, as part of the construction activities for the new elementary school located at 152 Greenwood Drive, a temporary street closure will be required on Greenwood Drive.

We understand that this work may cause temporary inconvenience and appreciate your patience and cooperation while the work is being completed.

1. Construction Schedule

- **Construction dates:** November 16th to November 27th, 2026
- **Street closure dates:** November 16th to November 20th, 2026
- **Working hours:** 7:00 a.m. to 5:00 p.m.

Dates are subject to change due to weather, site conditions, or unforeseen circumstances. Any significant changes will be communicated as required.

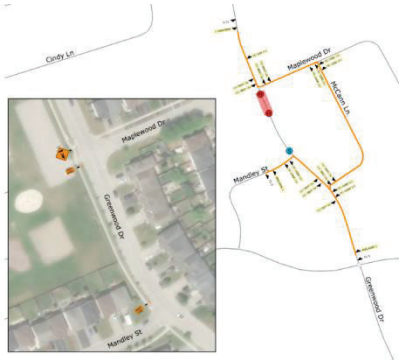

2. Street Closure Limits

The closure will extend from **Greenwood Dr/Maplewood Dr to Greenwood Dr/Mandley St** on Greenwood Drive.

Appropriate traffic control, barricades, and signage will be installed to identify the closure limits.

3. Detour Route

During the closure, through traffic will be directed along the following detour route:

- **Detour route:** Greenwood Drive → Maplewood Ln → Greenwood Drive
- Please follow all posted detour signs and traffic control instructions.

A detour plan/map is attached for reference.

4. Resident Access

Residents will continue to have access to their driveways and properties during the construction period. Access may be temporarily coordinated or delayed while construction activities are underway.

If any short-term restriction to driveway access becomes necessary, the construction team will coordinate with the affected residents in advance, wherever possible.

Please exercise caution when entering or leaving your property and follow the directions of on-site personnel.

5. Contact Information

If you have any questions or concerns regarding the street closure or construction activities, please contact:

Township of Essa **Contact:** Sarah Rear, CET – Engineering Coordinator **Phone:** 705-424-9917 x103 **Email:** srear@essatownship.on.ca	**Contractor:** Rutherford Contracting Ltd. **Site Contact:** Rick Hyde **Phone:** 416-817-1902 **Email:** rhyde@ruthcon.ca
